

Section 54 of the Modern Slavery Act 2015

The following provides transparency in that TW Languages is committed to ensure that **modern slavery** is not taking place within our business or supply chains.

TW Languages is a multi-lingual translation service provider with a team of in-house Translation Project Managers. We ensure that due care and attention is given to the wellbeing of all staff in both their business and personal environment.

With regard to our supply chain we work with a team of professional linguists (freelance professional translators and interpreters). We have a due diligence process when working with new and current suppliers which includes offering payment terms which match their needs and meet market conditions. We fully support our suppliers and provide guidance and support.

Our in-house staff are vigilant and will ensure that management is aware of any potential risk areas with our supply chain.

We do not support or deal with any businesses knowingly involved in slavery or human trafficking
